DEPARTMENT OF COMMERCE

International Accounting Day

Govt. Degree College, Porumamilla

Department Of Commerce

Activity: International Accounting Day on 10.11.2024

GDC-PORUMAMILLA conducted "International Accounting Day" by the department of Commerce. The HOD of Commerce Smt. G.Parveen invited all the staff and students. The Vice principal presided over the programme and explained the importance of the day. All the staff explained the importance of accounts maintenance. Highlighted the quotation of Luca Pacioli "A man should not go to sleep until the debits equal to credits" so also students need examine themselves before go to bed the achievements they have done.

Conculsion: International Accounting Day serves as a reminder of the invaluable role accounting plays in shaping the modern economy. From ensuring financial transparency to navigating the complexities of global business, accountants are at the heart of economic stability and growth. As the profession continues to evolve, embracing technology and maintaining strong ethical practices will remain essential in meeting the challenges of the future.

By celebrating International Accounting Day, we acknowledge the contributions of accountants around the world and encourage the continued advancement of the profession to meet the demands of an ever-changing global landscape.
